

Travertine-Light-Honed-and-Filled

Travertine Light Honed and Filled tiles are light beige with ecru tones and radiant in color. This stone is a dense composite with little porosity and hence with very few fillings. Each ivory travertine tile goes through a mechanical filling process, then reinspected and filled once again by hand. Light Travertine tile honed and filled is suitable for indoor (kitchen, bathroom, living room, conservatory) and outdoor flooring and walling (garden, porch, patio, driveway). It has been a popular choice for many building and renovation projects last year. Travertine Light is also named as Umbrian White Travertine, Travertine Light Medium, Corinthian Travertine, Verona Travertine, Murano Honey Travertine or Romany Travertine in the UK market. Please check the availability of the stone tiles with our sales team for sale, clearance, discounted or special offer cheaper tiles. Nowadays there is proliferation of 2nd 3rd 4th quality travertines in UK most of which is sold through major tile retailers, presented under fancy names like Polished Limestone. You can easily notice their quality with huge fillings on the tiles. Please beware that there are 6 qualities to travertine tiles and we only supply the top 5% of best 2 quarries. This makes our tiles probably the best ever UK market has seen.
