

Aegean-Platinum-Beige-Marble-Polished

Platinum marble was famous for its usage in Termessos and Sagalassos Antique cities in ancient Greece. These two cities were the only ones Alexander the Great could not capture, hence the bravery of the twin cities and long lasting heritage of their artisans have been an inspiration for generations. Platinum marble selection became a highly popular marble in UK with its natural light beige silver colour. Compared to known Bianco Carrara it is superior with its strength, and flexibility with different period and interior designs. Polished finish gives a classy and elegant look making it suitable for any interior project.
