

Aegean-Platinum-Beige-Marble-Honed

Aegean Platinum Beige Marble has been the new star of marble trade in 2007. It has a distinctive natural light beige and silver colour. Honed finish fits to any surface with its class and safety.

Suitable for any interior project. We have a limited sale offer for anyone who would like to tile their bathroom with Aegean Platinum Beige Marble. Honed and Brushed Platinum Marble Offer prices are reduced up to 50% to allow users a classy and non-slippery natural floor tile option that would fit perfectly with polished Aegean Platinum Beige Marble on the walls.

Please give us a call to discuss your stone tile flooring and walling projects. We can suggest the best stone tiles to fit to your bathroom, kitchen, hall, living room, conservatory, garden or patio for modern building decorations or period building renovations. We can arrange delivery of your orders from our warehouse in Rainham Essex (next to London) to anywhere in England, Wales and Scotland as well as continental Europe.
